

User Agreement

This UA governs the use of QRating's sport management services. Violation will result in suspension or termination of the User's service. In the event of a dispute between QRating and User regarding the interpretation of the AUP, QRating's commercially reasonable interpretation of the AUP shall govern. Please contact QRating by e-mail info@qrating.tech should you have any questions about our UA.

Offensive Content

By using QRating's services, you agree that you will not publish or transmit any content that falls under the following parameters:

- * Child and/or adult pornographies
- * Bestiality and Zoophilia pornographies
- * Promotes Gambling activities
- * Excessive violence (including threats and harassment)
- * Hate speech
- * Unfair or deceptive under consumer protection laws
- * Defamatory
- * In violation of a person's privacy
- * A risk to a person's safety or health (including the general public)
- * Exposes trade secrets
- * Copyright infringement
- * Promotes illegal activity
- * Is otherwise malicious or fraudulent

This includes any email, bulletin board postings, chat, and any other type of transmission that relies on services provided by QRating.

Security

User must take reasonable security precautions. User must protect the confidentiality of password, and User should change your password periodically.

IPv6

Specifically, as we transition from IPv4 to IPv6 as the main network address space, we will consider the following as breaches of the Fair Use principle. Excessive use of IPv6 will affect our network performance, and therefore the level of service we provide to our users. Abuse of assigned Server IPv6 addresses We will manage the number of IPv6 addresses loaded onto a server to ensure an acceptable level of service for all users of that server.

Bulk Commercial mailing via internal chat

User must obtain prior approval from QRating for any mass commercial mailing list. Approval will only be given based on the following parameters:

- * Your intended recipients have given their consent to receive messages through the QRating application through the subscription procedure of this document (UA).

- * QRating stores the above-mentioned evidence of the recipient's consent.
 - * QRating uses procedures that allow recipients to refuse to receive messages from a specific user or otherwise withdraw their consent (for doing this, you must submit an e-mail request to abuse@qrating.tech).
 - * QRating has the ability to track complaints.
 - * QRating has posted a Privacy Policy on its website.
 - * You should not hide the source of your email in any way.
 - * You otherwise comply with CAN SPAM Act and other applicable laws.
- QRating reserves the right to test your compliance with these requirements.

Unsolicited internal chat newsletter

User does not have the right to send any unwanted messages via internal chat to any person who has indicated that they do not want to receive them.

Material Protected by Copyright

User agrees not to publish or otherwise copy any work protected under copyright law unless:

- * You have been expressly authorized by the owner of the work
- * You are otherwise permitted by law to copy the work

If you are found to be in violation of this requirement, QRating reserves the right to terminate your service.

Please contact QRating by e-mail: abuse@qrating.tech if you believe that your copyright is being infringed by a person using the QRating network. Please provide reasonable information, including identification of the copyrighted work, contact information, and other details.

Disclaimer

User agrees not to engage in illegal, abusive, or irresponsible behavior, including:

- * Unauthorized access to or use of data, including any attempt to breach security or authentication measures without express authorization from owner of the system or network;
- * Monitoring data or traffic without express authorization from owner of the system or network;
- * Interfere with service to any user;
- * Use of Internet account of computer without the owner's authorization;
- * Forging of any TCP-IP packet header;
- * Any conduct that is likely to result in retaliation against QRating;
- * Use of QRating's services in a way that unreasonably interferes with QRating's other users' use of the services.

Newsgroup, Chat Forums, Other Services

User must comply with the rules and conventions for postings to any bulletin board, chat group, or other forum in which you participate.
